INNERrOUTe | FOURMATION
 (Planet Arts PA301554)

The latest CD from the compositionally and melodically oriented, free-improv, genre-bending, collective jazz quartet, touching rarely experienced and emotionally beautiful realms. Rick Savage - trumpet/flugelhorn, Joe Vincent Tranchina - keyboard, Bill McCrossen - bass & Michael D'Agostino - drums.

• INNERrOUTe | *FOURMATION*: An equal mix of improv and fusion leavened with taking their time yields a very interesting new set... Tasty stuff dedicated to pushing the boundaries of where certain forms of jazz lie, this crew gives you an unvarnished and uncommercial look behind the curtain where the muse is what it's all about. A wonderful, wild ride whose chops keep you riveted throughout.
 —Chris Spector, midwestrecord.com

- INNERrOUTe...presents a unique voice in the free improv jazz and jam band tradition. For a true experience with the finest in improvisation, listen in – and feel what it does. —Grady Harp, ***** Amazon
- There's a wondrous element of exploration to everything . . . because four very individual musicians found a way to work with each other, and yet completely within themselves, all at the same time. “ —Timothy Malcolm, Times Herald-Record

Just underway is a new CD project with my wife, Gabriele Tranchina. We hope to have it available by the end of 2016, if not sooner.
